SCRATCHES MAR THE CARDS

BAD WEATHER CURTAILS ATTENDANCE AT BOTH NEW ORLEANS TRACKS.

Fourth Race at City Park Declared off—Baleshed Wins Again—Another Two-year-old Race for Bennington.

New Orleans, La., January 3.—Bad weather kept down the attendance at both tracks today. The races were run in deep mud. At City Park the mile and seventy yards handicap was ruined by scratches. Grenade, Shawana and Garnish being withdrawn. This was the cream of the entries and the stewards declared the race off. The feature race was the dash for the baby racers. Baleshed, winner of the first two-year-old event of 1905, won it and acquitted himself nobly. He ran coupled with his stable companion Chamblat and the pair were at odds on. They were not well backed, however, for there was a doubt in the minds of the speculators as to whether Baleshed could travel in the mud.

Amberita was bid up \$300 over her entered price by U. Z. De Arman, but was protected and bought in by her owners.

Steeplechase Jockey Tom McHugh today signed a contract to ride in the east during the coming season for George A. Saporata.

Casine was ordered scratched from the first race by the officials. The horse was identified all right, but was not entered in his owner's name. The party given as trainer also denied having the horse in charge. Casine was supposed to be a good thing and would have been heavily backed had he started. He was brought over from the old track this morning and there seemed a good deal of mystery about the horse.

Ed Vivell, confidential man for Messrs. Chambers & Walker, arrived from Porto Rico yesterday and left this morning for Los Angeles. Vivell has a plantation in Porto Rico.

James Boland purchased of Pat Dunne at private sale this morning the three-year-old Ezra.

E. R. Bradley arrived from Chicago this morning. He will leave next week for Palm Beach, Florida, where he will spend the remainder of the winter.

Numerous scratches at Crescent Park riddled a card that in its original state had been considered a fair one. Twenty bookmakers occupied stands, but business was light. M. D. Miller, who has been severely criticised for repeatedly putting up bad riders on his horses, secured the services of jockey Cherry to pilot Sea Voyage in the first race. The result was gratifying, the filly winning much as her rider pleased. Miller also won the last race with Sincerity Belle, but her victory cost the owner \$400. She was bid up by S. Louis, owner of Henry O., which finished third.

Newton Bennington won the two-year-old race, his third this week. The winner today was Round Dance, a fine looking by Dieudonne—Court Dance. He won in a romp.

Dan K., which was carded to start in the opening race, had to be withdrawn by order of the judges because of lack of identification.

Jockey Livingston, on Baywood, claimed a foul against Sea Voyage after the finish of the first race. It was not allowed.

Pasadena, owned by A. C. McCafferty, has had the firing irons applied to his legs and will be given a long rest.

S. C. Hildreth disposed of Potheen to W. H. Cissna. The latter is a newcomer to the ranks. He has applied for a trainer's license.

A. D. Lockhart purchased today from M. J. Daly the colt Welsh and will race him at the old track in the future.

Gambler has been purchased by O. G. Parke at private terms and will hereafter be a starter at the old track.

George Webb, who was suspended recently for having bid up Paul Clifford and then failing to make good the purchase price, was today restored to favor. The fine of \$100 imposed on him for the offense was paid.

CORN BLOSSOM'S GOOD RACE.

Another Big Crowd at the Oakland Track—President Williams Stops Employees From Betting.

San Francisco, Cal., January 3.—Ideal weather conditions and an interesting card called out another big crowd to Oakland today. Four favorites and a well backed second and a third choice were successful in their respective races. Radtke and L. Williams shared the jockey honors equally with two victories each.

The feature of the afternoon's racing was the brilliant form displayed by the Australian-bred Abercorn horse, Corn Blossom, and Nealon, the runner-up, in the Eolus Handicap at a mile. The last named colt, just turned three years, conceded lumps of weight in a field of older horses. Gnette, the noted French-bred mare, made her California debut in the closing race, running a good third.

Thomas H. Williams has issued an edict prohibiting California Jockey Club employees from making wagers on the horses running at Oakland. It is generally supposed that the measure originated in the turf magnate's fatherly interest in "Bob" McGibben, a big loser. By this means McGibben's operations may be restricted and a remnant of the fortune estimated at \$50,000 acquired by him as betting commissioner on the New York tracks, may be saved.

Distributor, winner of the first race, was bid up \$300 above his entered price and bought in by his owner, Jim Neil. Shortly afterward a mix-up occurred between W. P. Fine, the bidder, and Neil. Both men were disciplined by the stewards for their unseemly conduct, the former being fined \$50 and the latter \$100.

A number of horses from the Tichenor and Blute establishments arrived today from Los Angeles. Fifty additional stalls are in course of construction at Oakland to accommodate horses coming from Ascot Park.

ROUTINE MATTERS ONLY.

JOCKEYS AT NEW ORLEANS.

Nicol the Best—O'Neill Not Up to Summer Form—Sewell is a Master.

New Orleans, La., January 3.—The winter race meetings here always develop as much interest in the comparative merits of the jockeys as in the variable form of the horses. Star riders of the summer season frequently fail to quite strike their stride at the local tracks, while youngsters that were little heard of during the warm months come forward in amazing fashion. In the matter of reputation Nicol and O'Neill are, of course, the leading riders here this winter. The former at City Park is riding in probably better form than he ever before exhibited, but O'Neill, while he has ridden a number of winners, has as yet shown but little of the form that gave him fame on the New York tracks the past season.

Nicol so far outclasses the other riders at City Park that it looks as though he will have no difficulty in retaining his present commanding lead in the winning jockey contest. He not only outrides but he outgenerals the other boys, and his superiority

has encouraged him to take advantages to such an extent that Presiding Judge Trevelyan recently found it necessary to hold an advisory talk with him. Nicol is, as a rule, a clean rider, avoiding interferences, so that little more than an official intimation will be needed to keep him in line. The matter of rough riding was put up to him in a professional way entirely. He was told that he was so much the best boy at the track that he could not afford to indulge in rough tactics.

Jockey Sewell is doing by far the best saddle work at the old track. He is under contract during the winter to S. C. Hildreth. His apprentice allowance has expired. He can do about 98 pounds. He is a good post rider, a master in a race, and an exceptionally strong finisher. He has neither quite as many winning mounts to his credit nor as big an average for the winter season as Nicol, but he is riding in splendid form, and he only needs to maintain his present gait to be assured of a liberal contract for the coming summer.

Another jockey that is making a name for himself at the old track is Freeman, on whom C. R. Ellison has first call for the winter. Freeman is second on the list to Sewell. His average is not nearly so good, but his work has attracted favorable notice, and he, too, if he goes on as he has begun, will have no difficulty in making a profitable engagement with some big stable later on. It is not unlikely that he will be retained by Ellison. He is a Texas product and had been but little heard of until the winter meetings began here. He can ride at 98 pounds and his apprentice allowance still has some time to run.

The most likely apprentices at either track are Heffernan, under contract to James Arthur, and Perrett, under contract to Hugh McCarren, Jr. These are both unusually promising lads for beginners. Heffernan hails from Brooklyn, N. Y. He is quick to take advantage of opportunities in races, a strong finisher for so light a lad and a clean rider. Perrett is a boy of exceptional ability. His chief fault is a disposition to rough riding, but official recommendations will no doubt soon get him out of this rut. A half dozen other lads of possibilities are accepting apprentices at both tracks, but so far none of them has shown enough to loom up to any degree in the public eye.

WINTER TRACK STATISTICS.

Nicol Rides 47 Winners in 27 Days—S. M. Williams a Successful Owner.

At the four winter tracks from November 11 (the date of the opening of the San Francisco meeting) to the end of December the aggregate number of racing days was 124, the number of races run was 752, and the total amount of money distributed to horsemen was \$356,750, as follows:

Meeting.	Racing Days.	Races Run.	Money Distributed.
San Francisco	43	258	\$125,150
Crescent Park	27	162	\$2,100
City Park	27	169	\$6,200
Ascot Park	27	163	\$73,300
Totals	124	752	\$356,750

The leading jockeys at these tracks during the period mentioned were:

Meeting.	Jockey.	Mts.	1st.	2d.	3d.	Un. Pl.
San Francisco—Radtke	169	41	21	29	78	24
Crescent Park—Sewell	91	30	11	13	37	33
City Park—Nicol	104	47	18	10	29	45
Ascot Park—W. Miller	67	19	15	11	22	28

The leaders among the winning owners at these tracks were:

San Francisco—Barney Schreiber	\$8,560
Crescent Park—S. C. Hildreth	4,745
City Park—P. M. Civi	5,630
Ascot Park—S. M. Williams	8,600

In addition to these amounts, Barney Schreiber won \$1,325 at Ascot Park and S. M. Williams won \$3,245 at Oakland, giving him \$11,840 in forty-three days, an average of \$275 a day. This is certainly good interest on his investment.

BELIEVES LAW WILL STAND.

Hot Springs, Ark., January 3.—George C. Bennett is of the opinion that the Supreme Court of Tennessee will declare the anti-betting law in that state to be constitutional and that there will be no more racing within its borders. "William Carroll, one of the ablest lawyers in the south, drew that bill," said Mr. Bennett, "and I do not believe that it can be picked to pieces. We will soon hear something on the subject, however, since the test cases, I understand, are to be presented before the expiration of this month."

In the event that the Tennessee law is held to be constitutional, there is a strong possibility that the New Memphis Jockey Club will transfer the Tennessee Derby and the Tennessee Oaks to this city for decision at Oaklawn Park. The declarations from these races have been few and it is said that the horsemen have kept their nominations with the idea that the races will be run, if not at Memphis at Oaklawn Park.

PRICE AGREEMENT IS BROKEN.

Hot Springs, Ark., January 3.—John A. Payne of the Interstate News Company arrived here today from New Orleans and will make a renewed effort to have the local rooms accept his service from California tracks instead of that of Riley & Martin. The agreement between the rooms as to prices was broken today and the patrons of the places are anticipating a lively hunching war.

JOCKEY CLUB TO MEET.

Nashville, Tenn., January 3.—W. O. Parmet left last night for Detroit to attend the annual meeting of the Highland Park Jockey Club, of which he is secretary. The stake program for the Fort Erie and Windsor tracks, which will include several new events, will be decided upon at the meeting.

RACING STATISTICS OF 1905

8,011 RACES PRODUCE VAST SUM OF \$5,601,557 FOR 1,706 OWNERS.

Loss to Horsemen Through Closing of Illinois and Missouri Tracks About \$1,000,000—Showing Is, Nevertheless, Surprising.

In the form of stakes and purses, racing on the principal tracks of the United States and Canada—those covered by the charts in Daily Racing Form—produced to horsemen during the year 1905 the vast sum of \$5,601,557. In the same territory during the year 1904 the product was \$5,774,689. Thus a decrease of only \$173,332 is shown. This statement of fact will undoubtedly prove surprising to the enemies of racing.

But this \$173,332 must not be counted as the actual loss to horsemen. They are out of pocket the amount which would have been distributed at the Chicago and St. Louis tracks, had there been no interference with plans, less so much as was made up by the necessary increase in the number of days at Latonia, Louisville, Nashville, Memphis and on the northern circuit. That loss, taking the statistics of 1904 as a basis for calculation, was approximately \$841,494.

With Washington Park closed for all but three days in 1904, the total distribution at the Chicago tracks was \$722,294. Last year it was nil. The tracks at St. Louis and Kansas City produced \$938,915 in 1904. Last year they distributed \$468,182 before the anti-betting law became effective. So a loss of \$1,193,034 is shown in Illinois and Missouri. Of this sum \$351,540 was made up by an increase of \$163,985 at Latonia, \$64,885 at Louisville, \$47,790 at Memphis, \$29,960 at Nashville, \$23,435 at Fort Erie and \$21,285 at Detroit and Windsor.

At the New York tracks there was an increase of \$142,430 over 1904; Pimlico produced \$37,465 more; Bennington showed an increase of \$1,985; the Providence meeting was an addition with a distribution of \$53,680; but these increases were natural and would have been the same had there been no interference with racing in the west.

The distribution at the minor tracks, those in Texas, at Atlanta, Birmingham, Denver, Seattle, Sacramento, Petaluma, etc., was equivalent to at least \$350,000, so it can be said with safety that had there been racing for the full season in Chicago and at the Missouri tracks, the distribution to horsemen would have been in round numbers \$7,000,000.

The following table shows the number of racing days allotted to each organization, the number of races run and the amount of money distributed at the track of each, making grand totals of 1,307 days of racing, 8,011 races run and \$5,601,557 distributed:

Totals	1,307	8,011	\$5,601,557

This magnificent sum of money was paid to 1,706 owners, of whom 202 won \$5,000 or more, dividing \$3,987,890. The remaining 1,504 owners who won less than \$5,000 each divided \$1,613,667.

James R. Keene is at the head of the list of winning owners with \$228,724. In 1893 (Domino's year), Mr. Keene also exceeded \$200,000 in winnings. This is a record held by no other owner in

America. H. B. Duryea, with horses leased from
 the estate of the late William C. Whitney, headed
 the list of winning owners in 1904 with \$200,107.
 In 1904 Mr. Keene was second on the list with
 \$164,308. In 1903 his winnings were \$50,150.

Harry Payne Whitney, Sydney Paget and the late
 Captain S. S. Brown were the only other winners of
 more than \$100,000 last year. In 1904 there were
 seven winners of over \$100,000—H. B. Duryea,
 James R. Keene, E. R. Thomas, Sydney Paget,
 Newton Bennington, S. S. Brown and John A.
 Drake.

Barney Schreiber is at the head of the list of
 winning owners who raced exclusively in the west.
 He also had more horses to finish in the money than
 any other owner in America—280. Edward Corrigan
 holds the record for races won during the year. His
 horses scored an even 100 victories and put him
 second on the list of owners who raced exclusively in
 the west.

The following is a list of owners winning \$5,000
 or more each, together with the number of races
 won, the number of times second, the number of
 times third and the amount won by each:

Winner—Ch. f, by Pirate of Penzance—Gladness (trained by M. D. Miller).
Went to post at 2:01. At post 1 minute. Start good. Won easily; second the same. Sea Voyage, well ridden and favored by the going, went to the front when called on and, although going extremely wide into the stretch, won with plenty in reserve. Baywood, also taken wide into the stretch, ran a good five furlongs and, when bumped into by Sea Voyage, tired, but was an easing up second. Mary Prim showed speed for the first half, but tired in the final drive. Lily Brook came fast in the last quarter. Mayor Graham ran a bad race and can do better.
Scratched—58850 Peggy, 101; (44577) Pretorius, 106; 59394 Colonel Preston, 106; 59093 Vagary, 109; 59003 Dan K., 107.

Winner—Bik, g, by Lissac—Trousseau III. (trained by J. W. Pangle).
Went to post at 2:31. At post 3 minutes. Start good. Won easily; second the same. Paul Clifford, suited by the going, followed the leaders well up for the first half, was forced to go wide on the stretch turn, but finished gamely and wore down investor in the last few strides. Investor showed sudden improvement and was a sharp contender for the entire trip. Whorler saved much ground when turning into the stretch and showed good performance handling. Loricate tired in the final drive. Schoharie quit when hard driven and ran below his previous effort. Bob May could not extend himself freely in the going and swerved under bad handling. Frank Bell showed the most speed to the stretch, but failed to stay.
Scratched—59363 Kohlhor, 108; 58231 Cognomen, 112.

Winner—Ch. c, by Diendonne—Court Dance (trained by F. Burlew).
Went to post at 3:00. At post 2 minutes. Start good. Won easily; second the same. Round Dance, taking kindly to the going under strong handling, came like a flash under the whip in the last furlong and easily passed the tiring Helen Lucas. The latter shot into a long and commanding lead early, showing a fine burst of speed, but tired when she got to the stiff going in the stretch. Mamie K., away poorly and going wide on the turns, finished fast and gamely and will probably perform better at a longer distance. Our Own ran a good race from a poor beginning. Runsum ran green and was handicapped by the going and will probably do better over a good track.

Winner—Br. c, by Lieber Karl—The Mecca (trained by R. Colston).
Went to post at 3:28. At post 1 minute. Start good. Won easily; second the same. Lieber seemingly outclassed the others in the going, assumed the lead at once and was never seriously troubled, winning well in hand. Captain Bob, hard ridden to keep up the early stages, gained steadily and wore down Torcello in the last sixteen. Torcello ran forwardly for the first three-quarters and tired suddenly in the stretch. Roderick had no mishaps. Jungle Imp was given a bad ride and had scant chance.

Went to post at 3:59. At post 1 minute. Start good. Won easily; second the same. Deutemps ran in suddenly improved form, showed a high order of speed and won under restraint all the way. Chauncey Olcott, away slowly, moved up fast after going a half and finished gamely. Bitter Hand lasted well in the final drive. Winner—Ch. f, by Handsome—Sincerity (trained by M. D. Miller).
Went to post at 4:30. At post 2 minutes. Start good. Won easily; second driving. Sincerity Belle ran as if much the best, was kept in restraint for the first three-quarters, then moved up with a rush and won cantering. Dolinda forced the early pace, then dropped out of active contention until in the last furlong, where he came on fast and outgamed Henry O. The latter ran a fair race. Arsenal, ridden with poor judgment, was raced into exhaustion in setting the pace. Claremont and Dave Sommers tired badly from their early efforts.
Scratched—59369 Dr. Hart, 99; 58926 Consuelo, 98; 59394 Arabo, 102; 59214 Gallant, 112; 59289 Nutcracker, 108.

Winner—B. c, by Lamplighter—Falerna (trained by J. Arthur).
Went to post at 1:59. At post 3 minutes. Start good. Won easily; second the same. Signal Light broke with the leaders, but was crowded back soon after the start, then saved ground on every turn, came through on the inside when entering the homestretch and drew away easily in the last sixteen. Lidwinia closed a big gap in the last half and finished fast. Flying Charcoal ran on the outside for the entire trip and covered more ground than the first two. Gus Lanka showed much the most early speed, but was rushed along too fast and quit after going a half mile. Brushton got off badly and closed a huge gap. Precious Stone showed speed, but tired under a drive.

Went to post at 2:24. At post 3 minutes. Start good. Won easily; second driving. Baleshed ran away from his opponents and was only cantering at the end. Arthur Rosenfeld came through on the inside when entering the homestretch and, finishing resolutely under a drive, outgamed Boserman at the end. The latter lost ground by making a wide turn into the homestretch, but finished fast, is a good looker and may do better when next out. Chamblet dropped back in the last quarter. Robert Minton ran fairly well.

Sweet Jane fared well, but tired in the last half. It was a two-horse race all the way, Rush Reuben always being a distant third. Redlands fell on the flat between the first and second jumps and Tenny Belle refused at the second jump.
